ON THE FRONT LINE: 3 GENERATIONS OF SOLDIERS' VOICES :

ON THE FRONT LINE: 3 GENERATIONS OF SOLDIERS' VOICES is a live presentation by four actors telling the stories of Southern California combat veterans from World War 2 through the Iraq War. The veterans were interviewed by a team of writers and actors who turned their stories into short dramatic pieces with music and projected photographs, directed by Judith Royer. The 40 minute performance will be followed by a panel discussion with members of the team that wrote, acted and consulted on the project.
