

CALL CONGRESS AGAINST FREE TRADE AGREEMENTS:

This could be it. The Colombia Free Trade Agreement (FTA) and other pending trade deals could come up for a vote any day now unless our legislators really hear some resistance.

On Monday, July 11, hundreds of people gathered in front of the White House in a powerful demonstration calling for fair trade, not free trade. Using strong words and moving visuals they honored the trade unionists, community leaders and human rights defenders murdered in recent years in Colombia because they stood up for rights that will be further undermined if this FTA passes.

Will you back them up by echoing their message in a two-minute call to your members of Congress? Just follow this simple two-step process to make your call:

Step 1- Call the Congressional Switchboard at (202) 224-3121 and ask to be connected to your Member of Congress. If you don't know who that is, just provide your address and the operator will automatically connect you.

Step 2- Once connected, ask to speak to the aide that works on trade policy. Keep your message simple. Just say, "My name is _____. I'm calling to urge Representative _____ to take a stand for human and labor rights today by opposing the Colombia, Korea and Panama Free Trade Agreements.

For more info on these trade agreements go to www.citizenstrade.org/. If you believe that human rights should NOT be sacrificed on the altar of free trade, we need your help to make sure the Colombia FTA and other pending trade deals do not pass! So please make your call and then get everyone you know involved in sending a strong message to Congress today.
